Hi Katherine -thinking about Case's request that EPA send the letter to the Executive Director- with another cover letter, seems awkward - at least for our office to send because we have dealt w HI ADC only with respect to the complaint and with respect to the complaint, we have communicated through their attorney, Andrew Goff, as recently as today. It would be out of the norm for me to send Joe's letter and then a cover letter to the Exec Director. Could OCIR just forward the letter along with the. Congressman's latest letter to the Exec Director via email and just say, per Congressman Case's request, here is EPA's response to his original inquiry... ? In the alternative, or in addition to, I could forward both letters to Andrew their attorney? Please let me know what you think.

Ps: per Andrew, the Board is supposed to meet next week and it's my understanding that Andrew has asked that the question of approving the informal resolution agreement will be on the agenda.

No idea. Seems like a weird request. I asked the team and best we could come up with is that they ran out of stamps?? ☺

Hey Katharine,

Would you mind checking with OGC to see if anyone knows why they would make this request?

Thanks!
